Attorney General's Satellite Office Opens in Tubac

(Phoenix, Ariz. – Aug. 2, 2006) Attorney General Terry Goddard today announced the opening of the latest Community Services Satellite Office. The office is located at the Tubac Community Center, 50 Bridge Road, and will be open the first Tuesday of every month between 9 a.m. and 1 p.m.

"We are pleased to form this partnership with the Arizona Attorney General's Office to provide easy access to residents in the Tubac area and help protect our residents against fraud and civil rights violations," said Carol Cullen, Executive Director of the Tubac Chamber of Commerce.

The Attorney General's Satellite Offices provide community-based locations that make it easier for residents to obtain information on consumer fraud, civil and victims' rights. Volunteers staff satellite offices, make educational presentations for community groups, distribute consumer education materials at community events and assist individuals with filing complaints or referrals for assistance.
